## INTERNATIONAL CODE OF SIGNALS.

This list is prepared for the purpose of enabling officers at signal stations on shore, and masters of ships at sea to signal and report passing ships. It contains the name and distinguishing signal of every ship registered in Canada to which a code signal has been allotted to the 31st December, 1920. The particulars of each ship are given both in the order of the signal letters and in the alphabetical order of their names.

Applications for the allotment of a code signal for the purpose of making ship's name known at sea should be made on form C.C.S.I. to the Registrar of Shipping at the port to which it belongs.

**THE ENSIGN TO BE SHOWN AT THE PEAK, OVER THE CODE PENNANT,  
WHEN THE SIGNAL LETTERS ARE HOISTED.**

BRITISH SHIPS Registered in Canada to which distinguishing signals have been allotted, arranged in alphabetical order.
